Rejection of third party deposits

In order to ensure our mutual compliance with Anti-Money Laundering and Counter-Financing of Terrorism regulations, **Funderstone Securities Limited and Funderstone Futures Limited (“Funderstone”)** will **not accept any third party deposits to your account if prior approval has not been granted by Funderstone.** Therefore, deposits to your Funderstone account should originate from or be drawn upon a bank account in your own name, NOT the name of a third party.

If any deposit is found to have been made from a third party, Funderstone shall conduct appropriate enquiries about the third party funds, such as questioning the reason for such deposit and requesting supporting documentation. This will cause either delays or rejection on the funds. Funderstone reserves the right to reject deposits made by a third party if, in our sole judgement, acceptance of the deposit will increase regulatory risks for Funderstone. We will then return the rejected funds to the depositor. You will be asked to provide authorization to return such funds, and will be liable for all bank charges incurred.

Rejection of cash deposits

Funderstone does NOT accept cash deposits, please do not send cash to us.

For deposit made by CHATS or telegraphic transfer (‘T/T’)

Generally, deposits made by CHATS or T/T are accompanied with the depositors’ account name. To facilitate the deposit process, please send us further notification informing us of **your Funderstone account number** to be credited the funds and the amount remitted by email at deposits@funderstonesec.com, by WhatsApp at +852 6205-2556 or by facsimile at 2913-9870.

For deposit made by cheque

Please send us a message stating **your Funderstone account number** with a copy/image of BOTH the cheque and the bank deposit slip either by email at deposits@funderstonesec.com, by WhatsApp at +852 6205-2556 or by facsimile at 2913-9870.

Either your name, as the payer, must be clearly visible on the cheque or your bank account number on the cheque must match Funderstone’s record of your bank account number. If you fail to provide us with a copy/image of the cheque, we will need to request the bank to provide it to us at your expense. This will cause a delay of approximately 2 weeks in crediting the funds to your account.

For deposit made by ATM, bank transfer or FPS

Please send us a message stating **your Funderstone account number** with a copy of the bank deposit slip either by email at deposits@funderstonesec.com, by WhatsApp at +852 6205-2556 or by facsimile at 2913-9870.

If your name is partially hidden on the deposit slip for privacy reasons, please ensure that the depositor’s

FUNDERSTONE

bank account number is at least partially visible in order that we can match it to the record we have for your bank account. If you fail to provide us with a copy of the deposit slip showing sufficient information, we will need to request the bank to provide the depositor's details to us at your expense. This will cause a delay of approximately 2 weeks in crediting the funds to your account.

For deposit made by other methods

If you make a deposit to our bank accounts by other methods, please ensure that your name, as the depositor, is visible on the confirmation and email a scanned copy of the confirmation to us at deposits@funderstonesec.com and state **your Funderstone account number** in the message.
